OVERVIEW

ABOUT THE SALT RIVER FIRE DEPARTMENT

The Salt River Fire Department has a long history of providing quality safety and emergency services to the Community for over 42 years. The dedication of the men and women of this organization is a testament to the progressive changes which have propelled Salt River to be one of the top tribal fire departments in the country.

WHY THIS TOURNAMENT MATERS

Proceeds support the Arizona L.A.S.T. (Local Assistant State Team) which provides assistance to any Arizona Fire Service Agency in the event of a death. Proceeds also support the philanthropic efforts of the Salt River Fire Department within the Salt River Pima-Maricopa Indian Community.

While the Salt River Pima-Maricopa Indian Community is not a 501(c)(3) organization, Title 26, § 7871(a)(1) of the United States Code accomplishes the same purpose by action of law. A gift or donation to the Salt River Pima-Maricopa Indian Community or any of its subdivisions is deemed tax deductible under Title 26 § 7871(a) of the United States Code. This section of the Code provides that an Indian tribal government is treated as a state for the purpose of determining tax deductibility for charitable, educational and other similar donations.
